TO WHOM IT MAY CONCERN

This letter confirms that **Mr. Nabhan Zahid** worked as a **Web App Developer** at HKS TechLabs for 8 weeks, starting from June 15, 2024, until August 15, 2024.

During his time with us, Mr. Nabhan in his role as a Junior web app developer, showed great skill and dedication. He was responsible for dealing web apps projects. He shows his skills in front end web development with coding languages like HTML, CSS and JavaScript. He also has full stack web app development skill in no coding platform like Bubble.io.

His efforts in understanding the responsibilities along with enhancing workplace culture and participation in organizing training sessions were commendable and greatly appreciated.

We enjoyed having Mr. Nabhan on our team and wish him the very best in his future endeavors.

Yours Sincerely,

Muhammad Hasnain Khalid

Organizational Head

HKS TechLabs - Vehari
